

EMISSION SCANNER KIT

\$895

*Does not include taxes
and shipping - CDN
pricing*

The Emission Scanner Kit includes:

- (1) Motorola DS3408 Scanner
 - (1) 20ft Cable
- Set up and Ready to go!

The **Motorola/Symbol DS3408 scanner** brings high performance data capture to harsh industrial environments. Using digital imaging technology, this family of scanners quickly and accurately captures 1D and 2D bar codes.

Add Advance Exchange Support for just \$60!

Advance Exchange is a simple, cost-effective way to manage products needing repair.

With comprehensive coverage built in, there's no need to worry about cracked plastics, scratched exit windows or cosmetic defects.

And because responsiveness matters, Advance Exchange provides a ready-to-go repaired product where you need it.

It's easy, fast and reliable.
